

OLD GEEZER CARTING WORLD CHAMPIONSHIPS 2019 RULES:

1. General:

- All the participants have got to have fun!
- To take part in the competition you should be sports minded = an honest competition and adequate respect.
- The competing pair should be a man and a woman.
- The carter is a man “geezer”, which can be on loan or your own.
- The pusher is a woman known as “the old lady”
- The competitors in front have the right of way, which means that the competitor behind has to without doubt be careful not to drive into the legs of the pusher in front. A 10 second time penalty will be added to the pairs finishing time for hitting the other competitor’s legs.
- If the geezer on the cart helps or tries to make it easier by getting off the cart during the race inside of the marked areas a 10 second time penalty will be added every time to the competitors finishing time.
- If you get off the cart anywhere else than inside the marked areas you will be disqualified. If the cart tips over by accident and the geezer falls off the cart there will be no time penalty or disqualification. The judges will make the decision on whether it was intentional or accidental.
- Every competitor (youth series the competitor’s guardian) takes care of their own insurance and safety. The organizers are not responsible for the competitors insurance.
- The competitor’s unquestionable alcohol limit during the competition, for general safety reasons is Zero. The zero alcohol limit includes the carter and the pusher. The officials will give tests if needed.
- The main World Championships will take place only in one series and the winning couple is the one that completes the track the fastest taking into account time penalties.
- The competitors have to abide by the written and spoken instructions set by the organizers.
- The pusher and the carter have to be at least 18 years old and the geezer has to weigh at least 80 kg.
- Weigh in will be in the competition area known as “the meat scale” The time will be announced separately. In case the carters weight is less than 80kg, the carter will receive an army bread bag etc... which he will fill with sand from the sand heap himself until the right weight is reached. The carter will always be weighed on the way to the track.
- In the World Championship series a time trial same as in sprint skiing will be used. The pairs will be sent to the track in one minute intervals.,0 Based on the times and the amount of competitors, finals A-, B-, C-, and D- will be formed.

- In the World Championship series the starting order for the preliminary rounds are pulled out of a hat.
- The way to go forward is the pusher's choice; they can either pull or push the cart. The style can be changed during the race.
- If the milk cart breaks (e.g. flat tyre) during the World Championship series preliminary rounds, the competing pair will have the chance to restart. If the cart breaks during the finals, traditional or team series finals, there will be no possibility to restart.
- The competitors can check out the course on foot before the competition starts (without cart).
- Written protests have to be made within 30 minutes of the last competitor from your own series passing the finish line. To make a protest a fee of 106,30 euros has to be paid.
